

VALIANT DEFENDERS OF PAKISTAN

By: Naveed Iqbal
(Dedicated to the courageous Heroes defending Pakistan)

Depend merely on arms my fearless Soldiers never,
Courage unbound the weapon they hold firmly ever.

With valor they attack, with grace they triumph,
No matter how cowardly does play the enemy clever.

Leaving their near ones behind, they keep us Dear.
For calm sleep of ours, entire existence they endeavour.

Each inch of motherland, daringly, heroically they defend,
For defence of it, total body of enemy would they sever.

Final drop of blood would shed they in crushing the foes,
Without least caring for whoever, whichever, whatever.
